Inkjet Plotters

High-Speed Inkjet Plotters

A family of high-speed inkjet plotters for all your plotting needs. With four newly redesigned choices, these plotters cater to your plotting needs, whether you require 30 yards per hour, or 140 yards per hour. Capable of plotting with almost ALL CAD systems connected to it or remotely via e-mail or Internet. These versatile plotters are quiet and require very little maintenance. These environment friendly plotters can use newsprint or RE-CYCLED paper thus saving the cost of regular BOND paper.

TUKAjet 100 - 1 Our best selling model that provides high output at an affordable price. Single head Plotter, capable of plotting 25 linear yards per hour, can plot on site or perfect for REMOTE PLOTTING.

TUKAjet 200 - 2 Plotting at the speed of 50 linear yards per hour, this model is equipped with two print heads providing crisp and clear lines and text.

TUKAjet 300 - 4 The Newest addition to this family of inkjet plotters, plots up to 85 linear yards per hour with FOUR PRINT heads.

TUKAjet 400 - 4 The fastest plotter in the world designed to satisfy the most demanding production. Plots up to 140 linear yards per hour, and is equipped with on board PENTIUM computer, screen, modem and network card.
